Judicial Training & Research Institute, Uttar Pradesh: Capacity Building & Digitisation Initiatives

The Judicial Training & Research Institute (JTRI), Lucknow, organized **ECT_9_2026** on 13 June 2026 in online mode via YouTube. The programme was attended by nearly 500 stenographers of all grades from District Courts. The session aimed at enhancing professional competence and efficiency in stenographic work. The training was enriched by the valuable insights of the resource persons — Sri Kamalkant Gupta, JSCC, Aligarh and Sri Ankur Garg, Deputy Director, JTRI — whose expertise added depth and practical relevance to the programme.

Andhra Pradesh Judicial Academy: Cyber Laws and Digital Evidence Training for Hon'ble Judges of High Court of Andhra Pradesh

The Andhra Pradesh Judicial Academy, under the aegis of the Hon'ble High Court of Andhra Pradesh, organized **ECT_14_2026** on 17 June 2026 as part of the e-Courts Phase III Capacity Building Trainings. The programme, held in the premises of the High Court, was designed as a refresher course on Cyber Laws, Appreciation of Evidence and Handling of Digital Evidence, with a special focus on Cyber Crimes, Cyber Security and Emerging Digital Threats. The session was conducted for the Hon'ble Judges of the High Court of

Andhra Pradesh and was led by Dr. G. Anant Prabhu G, Professor of Computer Engineering, Cyber Security and Cyber Law Trainer and Principal Investigator at the Cyber Security and Digital Forensics Centre of Excellence, Sahyadri College of Engineering & Management, Mangalore. He provided a comprehensive overview of AI-enabled cybercrimes such as phishing, deepfake frauds, voice cloning, identity theft, business email compromise, QR code frauds and mobile application scams.

The training also covered digital evidence verification techniques including metadata analysis, reverse image searches and social media verification, alongside awareness of mobile security, the Deep Web and Dark Web challenges. The programme emphasized the responsible and ethical use of Artificial Intelligence, underscoring that while AI can enhance judicial efficiency, it can never replace judicial wisdom and discretion. The interactive format ensured both theoretical understanding and practical exposure, equipping participants with insights into cybersecurity best practices, AI-assisted judicial applications and the evolving landscape of digital threats.

This structured training significantly strengthened the Judges' ability to address emerging cybercrimes and reinforced the justice delivery system with enhanced awareness and preparedness.

West Bengal Judicial Academy: Induction Training for ADJs at West Bengal Judicial Academy

The West Bengal Judicial Academy conducted a series of induction training programmes for Judicial Officers in the rank of Additional District Judge (ADJ). These sessions were held in physical mode at the Academy premises, each of 1 hour 30 minutes duration.

The programmes included **ECT_13_2026** on 8 June 2026, **ECT_16_2026** on 9 June 2026 and **ECT_18_2026** on 12 June 2026, with 33 Judicial Officers participating in each session. Together, these structured trainings formed an integral part of the induction curriculum, aimed at strengthening judicial orientation, enhancing professional skills and preparing newly appointed ADJs for their responsibilities.

The Academy ensured consistency in delivery and participation, thereby reinforcing its commitment to judicial capacity building and excellence.

Chhattisgarh State Judicial Academy: Capacity Building for Court Managers and Administrative Heads

The Chhattisgarh State Judicial Academy organized **ECT_5_2026**, a one-day offline training programme on 28 June 2026 at its premises in Bilaspur. The programme was specifically designed for Court Managers and Administrative Head Staff of the District Judiciary, with the participation of 50 officials.

This initiative aimed to strengthen administrative efficiency, enhance managerial skills and support effective functioning of the district judiciary.

By engaging court managers and administrative heads in structured training, the Academy reinforced its commitment to capacity building and institutional excellence at the grassroots level of judicial administration.

Judicial Academy, Assam: Strengthening Judicial Processes through Advocate Training

The Judicial Academy, Assam conducted **ECT_4_2026** on 30 June 2026 in physical mode. The programme lasted for one hour and witnessed the participation of an impressive 768 Advocates and Advocate Clerks. The training was facilitated by Master Trainers — Systems Officers and Systems Assistants — who guided the participants through the session. This large-scale programme was designed to strengthen digital awareness and professional capacity among members of the Bar, ensuring that advocates and clerks are better equipped to adapt to evolving judicial and technological processes.

Judicial Academy, Assam: Induction Training Programme on Cyber Security and Digital Systems for Mizoram Judicial Officers

The Judicial Academy, Assam conducted **ECT_14_2026** on 29 June 2026 in physical mode as a one-day programme. The training was attended by 30 Judicial Officers of the Mizoram Judicial Service, forming part of their induction training. The session was enriched by the expertise of Dr. Harold D'Costa, a renowned cyber security and judicial training expert, along with Master Trainer Systems Officers and Systems Assistants, who guided the participants through practical aspects of judicial processes and digital systems. This programme was designed to strengthen judicial orientation, enhance professional skills and prepare newly appointed officers to effectively discharge their responsibilities. By engaging officers from Mizoram and providing them with specialized guidance, the Academy reinforced its role as a regional hub for judicial training and capacity building, ensuring consistency in delivery and professional preparedness.

Gujarat State Judicial Academy: Training Programmes on Court Administration and E-Court Management for High Court Staff

On 20 June 2026, the Gujarat State Judicial Academy organized two batches (*Batch-13 and Batch-14*) of the **ECT_15_2026** programme for the Staff of the High Court of Gujarat. Each batch consisted of 26 participants and was conducted in physical mode as a one-day session. The sessions were designed for Court Masters and staff members of the Board Department, with a focus on Court Administration and E-Court Management.

The technical sessions addressed hybrid court proceedings, Zoom application features, participant management, live streaming issues and VC setup of courtrooms. This was followed by practical demonstrations of software platforms such as Attendance, IRIS, Payroll, FD, Staff Portal, CTR, RTI and the Stationery Module, led by the IT team.

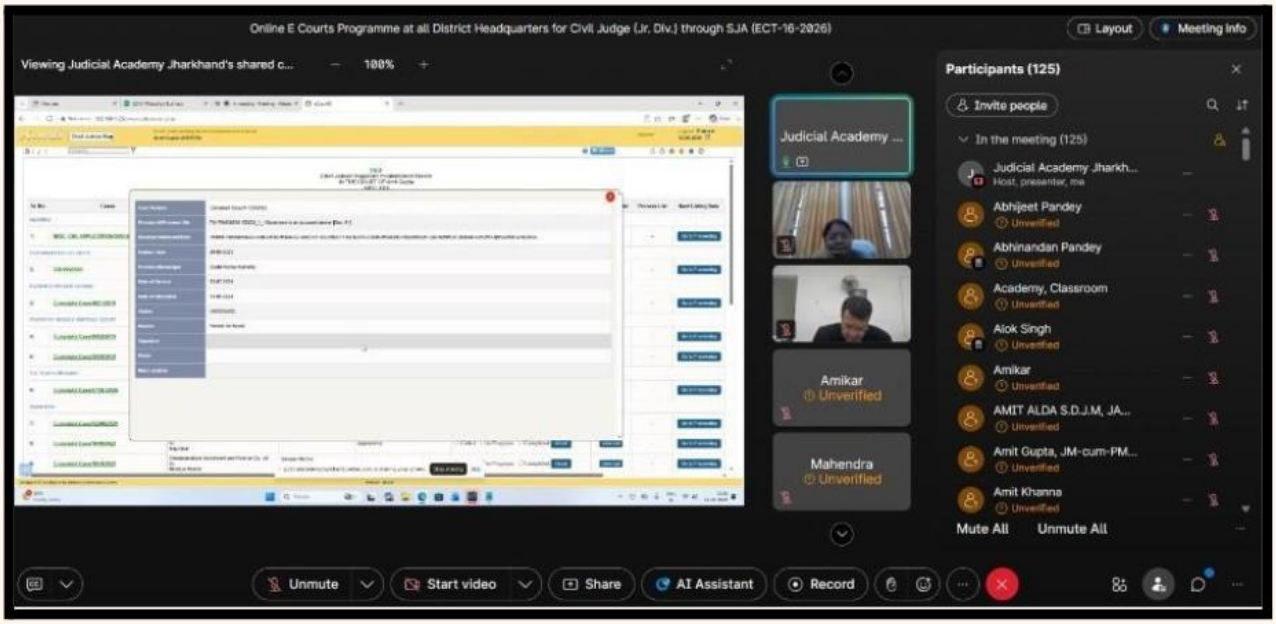

The final session emphasized effective court administration through technology, covering CIS 4.0 software, case verification, digital cause list management, hybrid hearing challenges, CARE Data Guidelines and the NJDG portal, with insights provided by senior faculty members.

Himachal Pradesh Judicial Academy: Specialized Training Programmes on CIS, e-Filing and Ubuntu-Linux for Court Staff and Advocates

In June 2026, the Himachal Pradesh Judicial Academy organized a series of specialized training programmes aimed at strengthening digital and technical capacities within the judiciary. On 1–2 June, the Academy conducted **ECT_08_2026**, a two-day programme on NSTEP/CIS 3.2 for 32 ministerial staff of the district judiciary, focusing on case information system upgrades and workflow efficiency. This was followed on 8 June by **ECT_04_2026**, a two-hour session on e-Filing and e-Courts Services, attended by 72 advocates and clerks, designed to enhance their practical knowledge of electronic filing and court service mechanisms. Subsequently, on 15–16 June, the Academy held **ECT_09_2026**, a two-day Refresher Programme on e-Services and Ubuntu-Linux for 32 ministerial staff, reinforcing their technical proficiency in judicial IT systems.

Judicial Academy Jharkhand: Online Training Programme for Civil Judges (Junior Division)

On 12 June 2026, the Judicial Academy Jharkhand conducted **ECT_16_2026**, a one-hour online training session via Webex. The programme was attended by 128 Civil Judges (Junior Division) and focused on enhancing their judicial knowledge and adaptability to digital learning platforms. This initiative reflects the Academy's commitment to continuous professional development and the effective use of online training methods to reach a wider judicial audience.

Karnataka Judicial Academy: Digital Competency Programme for Court Staff, Advocate, Clerks

In June 2026, the Karnataka Judicial Academy organized a series of structured programmes under various *ECT modules*, combining offline and online formats through Zoom and Google Meet. The **ECT_13_2026** programme (01 & 16 June) trained 131 Judicial Officers of the District, while **ECT_4_2026** engaged 207 Advocates and Advocate Clerks during the same period. Parallelly, **ECT_5_2026** reached 248

Court Managers and Staff and **ECT_8_2026** covered 180 Bailiffs, Process Servers and Nazirs. These sessions were facilitated by Technicians and Master Trainers at the District level. The Academy also conducted two intensive **ECT_14_2026** offline programmes (11–12 June and 24–25 June), training 29 and 28 Judicial Officers of different cadres under the State Judiciary. These sessions were enriched by eminent resource persons, including Sri Venkatesh Murthy K. (Senior Director, DSCI), Sri K. N. Yashavantha Kumar (Dy. SP, Cyber Crime Division CID, Bengaluru), Sri Shashidhar T.K. (Principal Consultant, DSCI), Sri Manjesh P. Shetty (Consultant, DSCI), Sri Jaya Shankara (Analyst, DSCI), Sri Ganesh Savant (Analyst, DSCI) and Sri Shreekanth Puranika (System Analyst, DSCI). Further, the *ECT-9-2026* programme was held on 4th, 6th, 10th, 17th, 20th, 24th and 27th June, engaging 224 FDAs and SDAs of Court Staff. Distinguished faculty included Sri Dinesh N.G. (OOD Judicial Member, Karnataka Land Grabbing Prohibition Special Court, Bengaluru), Sri Bhat Manjunath Narayan (Registrar Computers, High Court of Karnataka), Sri Deepak Patil (Central Project Co-ordinator, High Court of Karnataka), Sri K.L. Ashok (Additional Director, KJA), Smt. Meera (FDA, City Civil Court) and Shri K. M. Deepak (Software Technician, City Civil Court, Bengaluru). Additionally, **ECT_9_2026** sessions on 10th, 17th, 20th, 22nd and 23rd June trained 26 Shirestedar Administration staff, facilitated by Shri K. M. Deepak. The **ECT_16_2026** programme (12 June) was a one-hour offline session for 61 Judicial Officers of the 2026 Batch, conducted by Smt. Manjula (System Assistant, High Court of Karnataka, Bengaluru).

Kerala Judicial Academy: Capacity Building Programme on Cyber Security and Digital Evidence for Judicial Officers

On 12 June 2026, the Kerala Judicial Academy organized the **ECT_14_2026** programme, a one-day offline training session. The programme was attended by 34 Judicial Officers and featured Dr. Harold D' Costa, President of the Cyber Security Corporation and advisor to law enforcement agencies on cybercrime, as the resource person. The training provided valuable insights into the deep web, dark web, bitcoin and cryptocurrency, while also emphasizing precautions in handling digital evidence. Participants gained knowledge of key provisions under the Information Technology Act and practical guidance for analyzing digital evidence, particularly during the examination of cyber forensic experts.

Manipur Judicial Academy: Capacity Building Programmes for Advocates, Clerks and Court Personnel

On 20 June 2026, the Manipur Judicial Academy conducted the **ECT_4_2026** programme in physical mode, which was attended by 12 Advocates and Advocate Clerks. This was followed by the **ECT_8_2026** and **ECT_9_2026** programmes on 27 June 2026, also held in physical mode, with participation from 16 Case Assistants, Bench Clerks and Stenographers/Private Secretaries. Subsequently, on 30 June 2026, the Academy organized the **ECT_15_2026** programme in physical mode, attended by 12 Senior Private Secretaries, Private Secretaries and Court Masters.

Meghalaya State Judicial Academy: Hybrid Capacity Building Programmes for District Court Staff

On 29 June 2026, the Meghalaya State Judicial Academy, Shillong conducted the **ECT_5_2026** and **ECT_11_2026** programmes in hybrid mode through BharatVC, with the session also streamed via YouTube. The one-hour training was attended by 11 staff members of the District & Sessions Court, South West Garo Hills District, Ampati.

The programme featured Shri Parloy Barman, System Assistant, District & Sessions Court, Ampati and Shri Pynsuklang Lyngdoh Mawlong, Senior Developer, *eCourts Project*, High Court of Meghalaya, as the resource persons.

This initiative reflects the Academy's commitment to enhancing the digital and technical capacities of court staff through blended learning platforms.

Odisha Judicial Academy Conducts Hybrid Training Sessions for District Judiciary Staff and Bar Members

On 20 July 2026, the Odisha Judicial Academy organized the **ECT_9_2026** programme in hybrid mode through Zoom. Conducted as a one-day training session, it witnessed the participation of 298 Court Staff of the District Judiciary, marking one of the largest engagements of the month.

This was followed by the **ECT_7_2026** programme on 27 July 2026, also a one-day session, attended by 64 Advocates and Advocates' Clerks.

These initiatives underscore the Academy's commitment to capacity building and professional development, ensuring that both judicial staff and members of the Bar are equipped with essential skills to strengthen the justice delivery system.

Chandigarh Judicial Academy: Online Capacity Building Programmes for Court Staff and Technical Personnel

On 17 April 2026, the Chandigarh Judicial Academy conducted the **ECT_8_2026** programme in online mode through Microsoft Teams. The session, attended by 1,854 participants from the Nazarat Branch, Process Servers and Civil Ahlmad, focused on strengthening digital and procedural competencies. Subsequently, on 12 June 2026, the **ECT_11_2026** programme was organized in online mode via Microsoft Teams, with 224 participants comprising Technical Staff and District System Administrators/System Officers from Punjab & Haryana. These initiatives reflect the Academies' commitment to capacity building and professional development, ensuring that diverse categories of judicial staff are equipped with the skills necessary to meet the evolving demands of technology-enabled justice delivery.

Sikkim Judicial Academy: Capacity Building Programme for Advocates and Advocates' Clerks

On 24 June 2026, the Sikkim Judicial Academy organized the **ECT-04-2026** programme in offline mode, conducted in two separate sessions. The first session lasted three hours and was attended by 21 Advocates and Advocates' Clerks, with Mr. Pujan Kharka, Advocate, serving as the resource person.

The second session, held on the same day, lasted two hours and thirty minutes and was attended by 40 Advocates and Advocates' Clerks, with Mr. Anjan Sharma, Advocate, as the resource person.

These sessions reflect the Academy's commitment to capacity building and professional development, equipping members of the Bar with practical knowledge and skills to strengthen the justice delivery system.

Tripura Judicial Academy: Capacity Building Programme for Technical Staff and NIC Personnel

On 26 June 2026, the Tripura Judicial Academy organized the **ECT_10_2026** programme in offline mode. Conducted as a one-day training session, it was attended by 9 participants comprising Technical Staff and the NIC Coordinator of the High Court.

The programme reflected the Academy's commitment to enhancing the technical capacity of court personnel, ensuring effective support for judicial processes and the integration of technology within the justice delivery system.

Uttarakhand Judicial & Legal Academy (UJALA): Capacity Building Programmes for Advocates and Advocate Clerks

On 7 June 2026, the Uttarakhand Judicial & Legal Academy, Nainital conducted the **ECT_12_2026** programme in physical mode as a one-day training session, attended by 51 Advocates and Advocates' Clerks.

This was followed by another **ECT_12_2026** programme on 21 June 2026, also held in physical mode for one day, with the participation of 59 Advocates and Advocates' Clerks.

These initiatives reflect the Academy's continued commitment to capacity building and professional development of members of the Bar, ensuring that advocates and clerks are equipped with the necessary skills to support effective justice delivery.

High Court Digital Transformation Initiatives

Kerala High Court Wins National Gold Award for District Court Case Management System (DCMS) and Introduces Several Key System Upgrades

Kerala High Court receives Gold Award at the National Awards for e-Governance 2026

The High Court of Kerala has been conferred the Gold Award at the National e-Governance Awards, 2026 for its District Court Case Management System (DCMS), an innovative digital platform developed by the I.T. Directorate of the High Court. Instituted by the Department

of Administrative Reforms and Public Grievances, Government of India, the National e-Governance Awards represent the Government of India's highest recognition for outstanding achievements in e-Governance, digital transformation and technology-enabled public service delivery.

DCMS received the Gold Award in the category *"Innovation by Use of AI and Other New Age Technologies for Providing Citizen-centric Services (State and State PSUs)."* The award assumes added significance, as there were 802 entries received from Central Ministries and Departments, State and Union Territory Governments, Public Sector Undertakings and academic and research institutions, with 104 entries in this category alone. High Court of Kerala is also the only High Court in the country to deploy district judiciary case management software developed entirely by its own in-house technical team, which is regarded as the best in the country. This platform marks the transition of the judiciary from dispensation of mere information system to an intelligent case management system.

The selection process included shortlisting by a Screening Committee for spot study and project verification. As part of the spot study and project verification, a team of two Under Secretaries of the Government of India reviewed the functionalities of the portal, visited courts in the District Judiciary and interacted with the I.T. technical team, judicial officers, court staff, advocates, advocate clerks and litigants. Based on the spot study report, DCMS was recommended to the Jury, before which a final presentation was made.

DCMS is a comprehensive end-to-end digital platform implemented across the District

Judiciary of Kerala and the courts in the Union Territory of Lakshadweep to transform court administration and advance a paperless judicial ecosystem. The platform manages the complete lifecycle of cases, from filing to disposal and beyond. Using this platform, the Kalpetta Judicial District, Wayanad, was declared the first paperless judicial district in the country by the Hon'ble Chief Justice of India on 03.01.2026. All courts in Kerala and the Union Territory of Lakshadweep are proposed to be transitioned to paperless functioning in a phased manner. The scalability of the platform is also reflected in its implementation in the State of Sikkim, with effect from 01.06.2026.

The system makes extensive use of Artificial Intelligence and other emerging technologies to enhance judicial processes and improve citizen services. Its key features include AI-based case crux creation, AI-assisted case summarisation, intelligent chatbot services, advanced search and information retrieval mechanisms, a live court module supporting a paperless ecosystem, voice-to-text capabilities integrated into judicial workflows and intelligent automation for a range of court processes.

DCMS has contributed significantly to the modernisation of judicial administration by reducing paper dependency, streamlining court procedures, improving access to information and enabling faster and more efficient service delivery to citizens. The achievement highlights the capability and technical excellence of the Kerala High Court's in-house I.T. team, which developed and implemented the platform in its entirety.

New implementations, enhancements and modifications made in the District Court Case Management System (DCMS)

1. Unclaimed Compensation Module

A new Unclaimed Compensation module has been introduced in DCMS to facilitate the recording and monitoring of compensation amounts that have been sanctioned or awarded but remain unclaimed or undistributed. The module enables MACT to capture details of unclaimed compensation, including case information, compensation deposit details, claimant details, bank account information, disbursal status and claimant tracing details. Once the details are submitted and the case is marked as "Unclaimed", the information will be displayed in the Unclaimed Compensation Dashboard on the DCMS website.

2. Integration of VConsol

DCMS has been integrated with the VConsole platform to facilitate seamless virtual court proceedings. Causelist Integration helps advocates

and litigants to attend the court proceedings virtually without manual input.

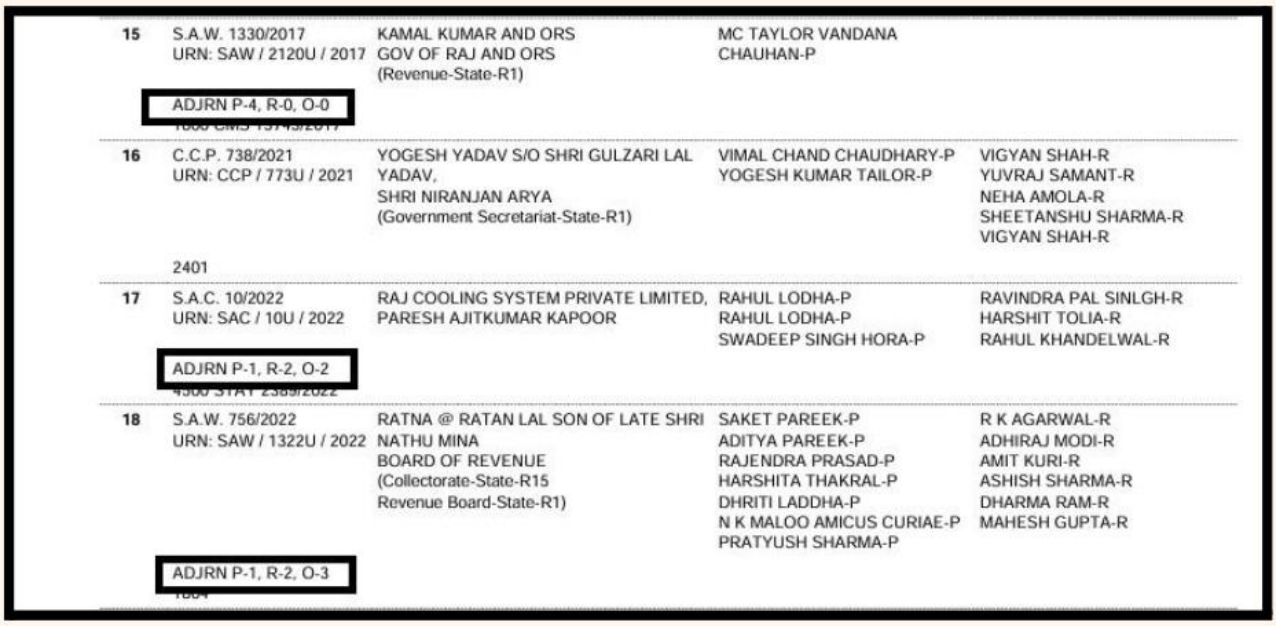

3. DCMS My List Facility Extended to Guest Users

The My List facility in DCMS has now been extended to Guest Users, enabling the public to create and maintain a personalized list of cases without registering or logging in to the DCMS application. This enhancement allows litigants, advocates and other stakeholders to conveniently track the status and progress of cases of interest, providing quick and hassle-free access while significantly improving user convenience and accessibility.

4. Enhancements and modifications made in the Case Management System (CMS)

1. BenchVIEW: BenchVIEW is a secure digital document viewing application designed for the judicial ecosystem, enabling judges to seamlessly access, organize and review case files from anywhere. It offers a high-performance PDF viewing experience with features such as annotations, bookmarks, document grouping and advanced search while integrating with court document management systems to ensure secure, efficient and paperless case management.

Rajasthan High Court Implemented New Adjournment Tracking Utility in the Cause List Program

In compliance with the order dated 14.05.2026 passed by the Hon'ble Court in *D.B. Special Appeal (Writ) No. 1390/2018 titled Om Prakash V/s The State of Rajasthan*, a dedicated software to maintain a count of adjournments sought by "appellant/petitioner/applicant" OR "respondent" OR "jointly/adjournment of case on account of any otherwise reason" in the Cause List has been developed by the technical team of the Rajasthan High Court. After updating the adjournment count, the same may be displayed in the cause list as per the following format. Example:- ADJRN P-5, R-3, O-1. For this purpose, training was also imparted to all the users i.e. Digit Clerk/ Cause List Section/P.S. and P.A. In this regard, Standing Order of the Rajasthan High Court has also been issued to comply with the directions.

High Court of Sikkim: Implementation of Sikkim Integrated Case Management Systems (SICM & DSICM) Across High Court and Subordinate Judiciary

Implementation of the District Sikkim Integrated Case Management System (DSICM)

On 1 June 2026, the District Sikkim Integrated Case Management System (DSICM) was successfully implemented across all District and Sub-Divisional Courts of Sikkim, marking a significant milestone in the digital transformation of the District Judiciary of Sikkim. The implementation of DSICM marked a significant step towards modernizing judicial administration through an integrated digital platform. The

system enables comprehensive digital case management, e-Filing, live court proceedings, video conferencing and the maintenance of digitized case records, thereby promoting greater efficiency, transparency and accessibility in the delivery of justice. The successful implementation of DSICM marks the foundation for continued innovation and excellence in judicial service delivery.

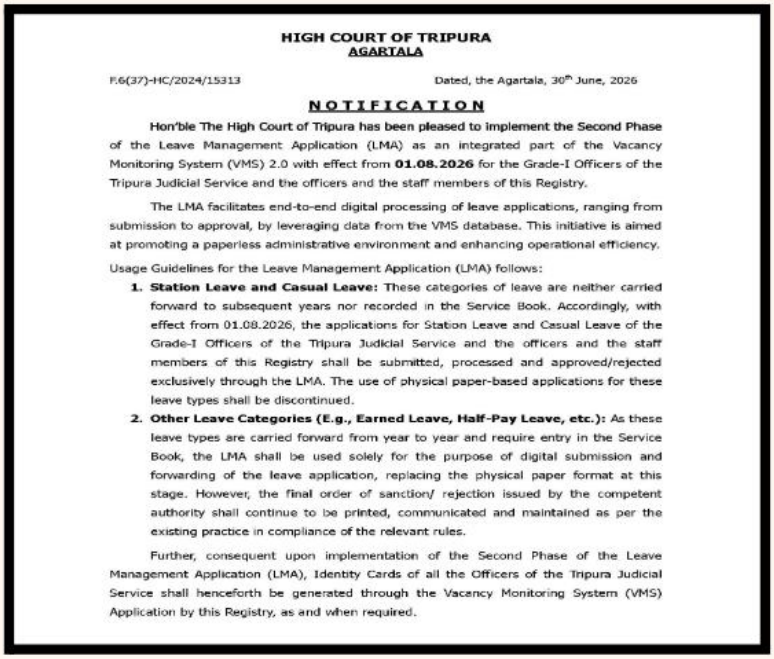

Implementation of the Sikkim Integrated Case Management (SICM) System

The *Sikkim Integrated Case Management (SICM)* application for the High Court of Sikkim was successfully launched on 1st June 2026, marking a significant milestone in the fully paperless transformation journey. As part of this initiative, electronic filing of cases, applications, interlocutory applications and petitions has been made mandatory in all Courts of Sikkim, reinforcing the vision of a paperless judiciary. Furthermore, provisions have been framed recognising exceptional circumstances that may prevent electronic filing. This initiative lays the foundation for a more efficient, transparent and technology-driven judicial system.

In-House Technological Initiatives across the High Court and District Judiciary of Tripura

Implementation of Leave Management Application (LMA) as an enhanced module of the Vacancy Monitoring System (VMS) 2.0. at the High Court of Tripura

HIGH COURT OF TRIPURA
AGARTALA

F.6(37)-HC/2024/15313 Dated, the Agartala, 30th June, 2026

NOTIFICATION

Hon'ble The High Court of Tripura has been pleased to implement the Second Phase of the Leave Management Application (LMA) as an integrated part of the Vacancy Monitoring System (VMS) 2.0 with effect from **01.08.2026** for the Grade-I Officers of the Tripura Judicial Service and the officers and the staff members of this Registry.

The LMA facilitates end-to-end digital processing of leave applications, ranging from submission to approval, by leveraging data from the VMS database. This initiative is aimed at promoting a paperless administrative environment and enhancing operational efficiency.

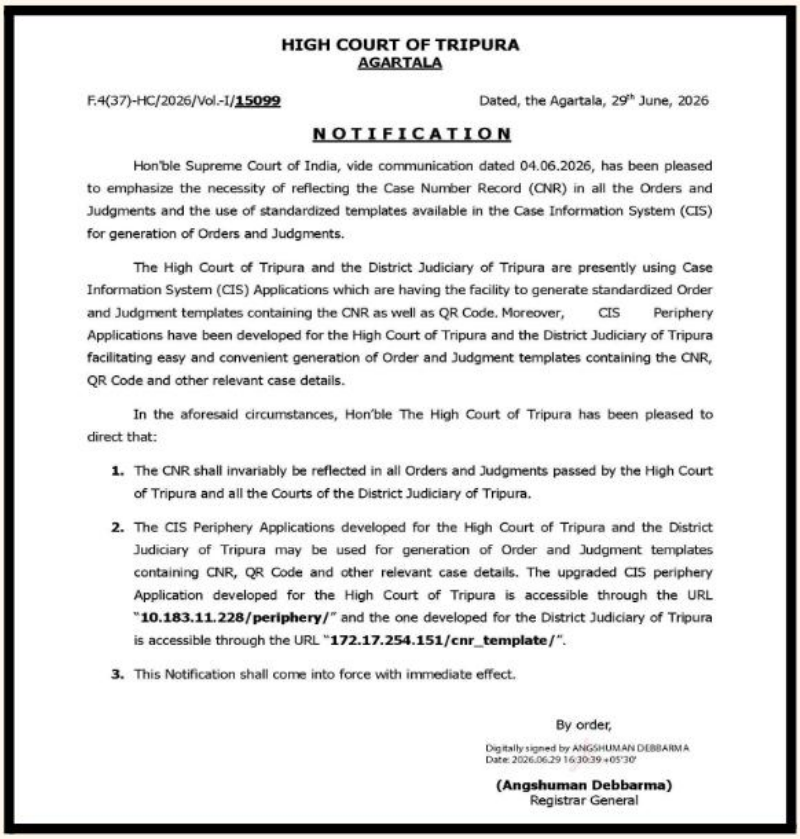

Usage Guidelines for the Leave Management Application (LMA) follows:

1. **Station Leave and Casual Leave:** These categories of leave are neither carried forward to subsequent years nor recorded in the Service Book. Accordingly, with effect from 01.08.2026, the applications for Station Leave and Casual Leave of the Grade-I Officers of the Tripura Judicial Service and the officers and the staff members of this Registry shall be submitted, processed and approved/rejected exclusively through the LMA. The use of physical paper-based applications for these leave types shall be discontinued.
2. **Other Leave Categories (E.g., Earned Leave, Half-Pay Leave, etc.):** As these leave types are carried forward from year to year and require entry in the Service Book, the LMA shall be used solely for the purpose of digital submission and forwarding of the leave application, replacing the physical paper format at this stage. However, the final order of sanction/ rejection issued by the competent authority shall continue to be printed, communicated and maintained as per the existing practice in compliance of the relevant rules.

Further, consequent upon implementation of the Second Phase of the Leave Management Application (LMA), Identity Cards of all the Officers of the Tripura Judicial Service shall henceforth be generated through the Vacancy Monitoring System (VMS) Application by this Registry, as and when required.

This Leave Management Application (LMA) is a module developed under the Vacancy Monitoring System (VMS) 2.0 by the in-house Technical Team of the High Court of Tripura. In its first phase, it was implemented in the District Judiciary of Tripura with effect from 01.12.2025. Now, the LMA has been implemented in the High Court of Tripura as well, as the second phase of implementation. With this, the leave matters of the officers and staff members of the High Court of Tripura would be managed electronically, thereby substantially reducing paper usage.

Implementation of Upgraded CIS Periphery Applications for QR-Coded Order and Judgment Templates

HIGH COURT OF TRIPURA
AGARTALA

F.4(37)-HC/2026/Vol.-I/**15099** Dated, the Agartala, 29th June, 2026

NOTIFICATION

Hon'ble Supreme Court of India, vide communication dated 04.06.2026, has been pleased to emphasize the necessity of reflecting the Case Number Record (CNR) in all the Orders and Judgments and the use of standardized templates available in the Case Information System (CIS) for generation of Orders and Judgments.

The High Court of Tripura and the District Judiciary of Tripura are presently using Case Information System (CIS) Applications which are having the facility to generate standardized Order and Judgment templates containing the CNR as well as QR Code. Moreover, CIS Periphery Applications have been developed for the High Court of Tripura and the District Judiciary of Tripura facilitating easy and convenient generation of Order and Judgment templates containing the CNR, QR Code and other relevant case details.

In the aforesaid circumstances, Hon'ble The High Court of Tripura has been pleased to direct that:

1. The CNR shall invariably be reflected in all Orders and Judgments passed by the High Court of Tripura and all the Courts of the District Judiciary of Tripura.
2. The CIS Periphery Applications developed for the High Court of Tripura and the District Judiciary of Tripura may be used for generation of Order and Judgment templates containing CNR, QR Code and other relevant case details. The upgraded CIS periphery Application developed for the High Court of Tripura is accessible through the URL "**10.183.11.228/periphery/**" and the one developed for the District Judiciary of Tripura is accessible through the URL "**172.17.254.151/cnr_template/**".
3. This Notification shall come into force with immediate effect.

By order,

Digitally signed by ANGSHUMAN DEBBARMA
Date: 2026.06.29 16:30:39 +05'30'

(Angshuman Debbarma)
Registrar General

The in-house Technical Team of the High Court of Tripura has successfully developed upgraded versions of the CIS periphery applications for both the High Court of Tripura and the District Judiciary of Tripura. These two upgraded applications are capable of generating standardized Order Templates and Judgment Templates with CNR Numbers and QR Codes. The system ensures that templates are produced easily, conveniently and uniformly, strengthening transparency and standardization judicial documentation for the High Court of Tripura and District Judiciary.

Implementation of Visitor Tracking System at Ambassa Court Complex, Dhalai District

The in-house Technical Team of the High Court of Tripura, under the supervision of the District Court Computer Committee, Dhalai District, has successfully developed and implemented the Visitor Tracking System – Version 1.0 at the Ambassa Court Complex, Dhalai District. This initiative has been undertaken in compliance with the directions of the Hon'ble Supreme Court in Writ Petition (Criminal) No. 99 of 2015. In the said judgment, the Hon'ble Bench emphasized the importance of adopting modern security practices for the safety of all stakeholders (Judges, lawyers, court staff, litigants and the general public)—particularly at vulnerable entry and exit points of Court complexes. This application incorporates a QR Code-based facility for litigants to enable efficient visitor tracking and also constant monitoring of footfall with the aid of adequate security equipment, to take preventive measures against any untoward incident within the Court Complex.

Statewise e-Initiatives Rollout Status as on 30.06.2026
